

What is the Carpenter PTO?

As a group of caring parents, who want the best for our kids education, we seek enhancement opportunities to improve learning experiences, social interactions and overall development of our young ones! Even in great school districts like this, there are supplemental items or unique experiences we would like to provide. In close partnership with Carpenter School Principal Brett Balduf, we work to fund activities and equipment purchases, and bring community-building events to all Carpenter families.

What does the PTO support?

| | | |
|---------------------------------|---------------------------|--|
| Class Field Trips | SpiritWear Sales | Pizza Day |
| Fifth Grade "Graduation" Dinner | Fall Fest / Spring Picnic | Halloween/Valentine's Day Celebrations |
| Track-A-Thon | Ice Skating Party | Junior Great Books Program |
| Mother/Son Event | Red Ribbon Week | Yearbook of Memories |
| School Directory | Father/Son Event | Daddy/Daughter Event |

Purchases

| | | |
|------------------------|--------------------------------|--------------------------------------|
| Classroom Smart Boards | Lego Wall for Math Instruction | Numerous Math/Science Learning Tools |
| Music Class Ukuleles | Class Exercise Desks/Equipment | Learning Lab Furniture |

What does it take to do all that?

It takes each Carpenter family to join the PTO for \$20. Sign-up here today <https://carpenterpto.revtrak.net/>

What does my membership do?

Your membership directly provides funding for all field trips, listing in a printed and on-line member directory and access to all complimentary events along with discounted yearbook pricing. You also receive countless memories with your children and the opportunity for them to be involved in unique, fun activities with their friends.

No additional commitment to volunteer or attend meetings is required. We do however, welcome and encourage parents at all meetings and as event volunteers and committee leaders. The PTO invites and appreciates whatever amount of "time, talent & treasure" you can give. And admittedly we enjoy meeting other parents and having fun supporting these activities.

Join today to ensure all Carpenter kids have the best elementary experience.
